To our Valued Customers:

For almost 40 decades we have been providing the best in restoration parts for 1937–1954 Chevrolet cars and trucks and an ever-increasing selection of street rod parts. **Now we are excited to announce Fabulous Fords—Quality parts for 1957–64 Fords.** We strive to provide the best in service, quality and variety of parts needed for your vehicle. All of the parts we are found online at www.fabulousfords.com, www.chevofthe40s.com and www.streetrodhq.com. Downloadable catalogs for each are available. Thanks for your business!

Ron Wade
CEO/Owner

HOW TO ORDER

ONLINE: Order anytime by accessing our online catalog from our website, fabulousfords.com. Credit card information is secure and we don't sell our customer database to anyone.

Call toll-free: 1-888-295-FORD (3673)

Our sales reps are available to assist you:

- via the phone: 6 a.m. – 5 p.m. Pacific Time
- in the showroom: 8 a.m. – 5 p.m.
- via our lovable voice mail for after-hour and weekend calls.

Existing customers—Simply provide your name and customer number off your catalog label, vehicle year, series and body style, credit card number (if appropriate), part numbers with descriptions and quantities.

New customers—Please provide all of the above information as well as your phone number (in case we have a question about the order) and a complete address including zip code.

Fax (order form in the back of the catalog):

- 1-800-888-2438
- Local/International: 1-360-816-0215

Stuff our attorneys want us to say: *Fabulous Fords is not responsible for any expenses incurred for installation, modification, fitting or shop repairs of parts. The items sold in this catalog are without warranties of any kind. Items and prices in this catalog are subject to change without notice. Information in this catalog may contain typographical errors or inaccuracies. We reserve the right to correct errors or omissions.*

HOW TO PAY

Use **Check by Phone** to achieve prompt shipping (10 days faster than mailing a check.) And because it helps reduce our costs, our reward to you is a 4% discount on parts when you place your first electronic-check order by phone. Try it—it's convenient and secure.

Checks by mail are welcome; however the accounting department may hold your order on uncertified funds. At company discretion, a mailed-in check may be converted to an electronic check.

Returned checks will be charged an NSF fee.

Credit Cards—Visa, MasterCard and Discover are welcome! Ship-to address must match your credit card billing address.

HOW WE SHIP

UPS does not ship to U.S. P.O. Boxes. Our standard shipping on international orders is UPS Expedited. U.S. postal shipping is available as an international option; talk to our sales staff for a quote.

Rates: Our software computes the correct UPS shipping and handling charges using the best method. Minimum shipping fee is approximately \$14.50.

When purchasing oversized parts, some can be shipped via UPS and others need to be sent via truck freight, so please call for rates.

If paying by check, please call for shipping rates and order total.

Shipping Time on ground deliveries takes 2 to 14 days depending on your location. For faster service options, when placing an order, please ask your sales person for an express delivery quote.

Most orders ship the same day!

Sales Tax is calculated on the order total (including shipping) for any order shipped to an address in the state of Washington. Tax rates vary depending on your tax region.

HOW PROBLEMS ARE HANDLED

Damage Claims: If a package appears to be damaged upon delivery, open the package with the delivery driver and have them note any damages. Then call Fabulous Fords immediately to notify us of any problems/damages. Do not ship to Street Rod Headquarters; we will let you know what to do next.

Shortages: All orders are scanned with a bar code reader before shipping. If, in the unlikely event a shipment error occurs, call us immediately.

Back Orders: Our computerized inventory system allows us to maintain tight control on our stocking levels. However, we do not have control over our suppliers. Back orders are not charged until they ship. Shipment occurs immediately when we receive the part.

RETURNS/EXCHANGES

Made-to-order items, such as glass, are non-returnable. All other parts (excluding Odds & Ends) may be returned within 30 days. Damaged or altered parts cannot be returned. CODs will not be accepted.

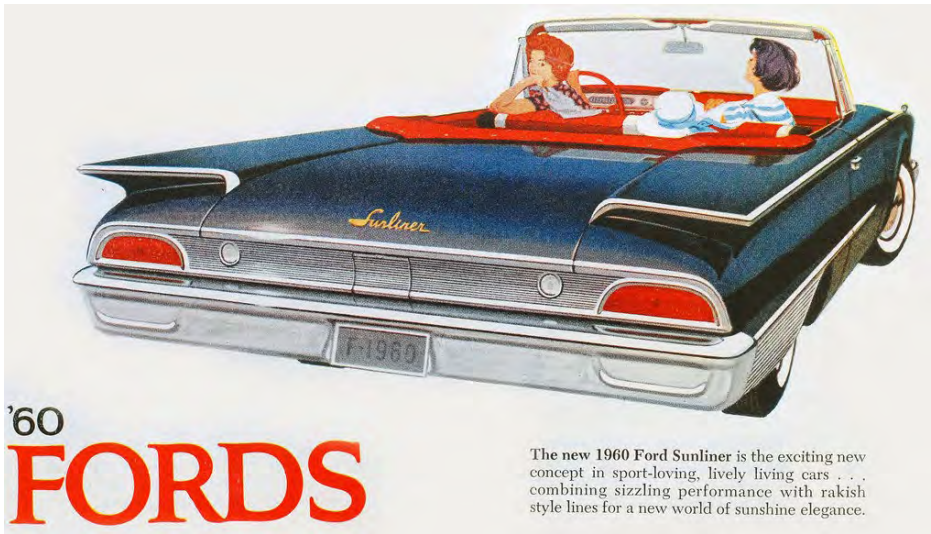

1. Have your invoice ready.
2. Call 1-888-295-3673.
3. Obtain return authorization number.
4. Write the number on the outside of the package and on a copy of the invoice.
5. Include invoice copy in package.

Remember: Shipping can take up to 14 days, so allow 3–4 weeks on returns. Warranty applies only to purchase price of item or replacement of part.

Unfortunately credit card companies no longer credit your credit cards for returns after 90 days. Therefore, we will issue in-store credits or a refund check.

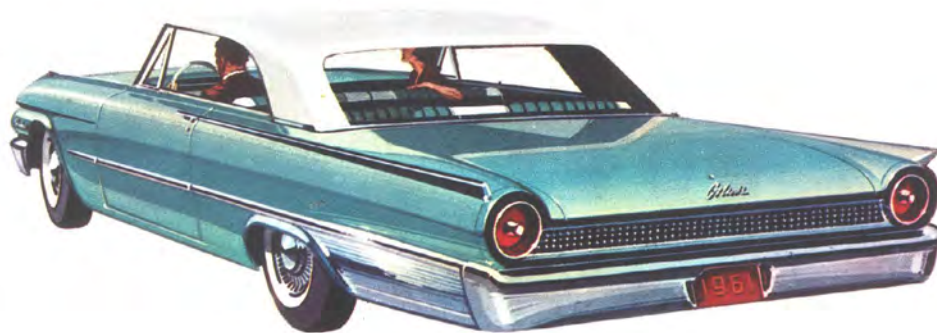

Note: Product pricing and availability subject to change.

Table of Contents & Illustrated Index

'60
FORDS

The new 1960 Ford Sunliner is the exciting new concept in sport-loving, lively living cars . . . combining sizzling performance with rakish style lines for a new world of sunshine elegance.

Tool Box -Portable Oval Shaped

This portable tool box, constructed in the shape of the Ford logo provides plenty of storage for your detailing supplies or small hand tools. The iconic Ford Oval is one of the most recognized corporate logos of all time, and it's graced the grilles of millions of cars, thousands of Winner's Circles, and the minds and hearts of generations of racing fans and car aficionados. Here's a great way to show your brand loyalty, and have a practical item in the trunk or shop to boot. This 27.5" wide by 7" deep by 11.5" high portable tool chest is perfect for carting around a few hand tools, a set of jumper cables and maybe a pair of gloves and some disposable coveralls for the occasional roadside breakdown-especially if it's not a Ford that's getting fixed. Display this highly-identifiable item next to your car at car shows or at the racetrack so everyone knows where your true loyalties lie.

GoBoxes

Here's a novel Idea - totes in the shape of the Ford oval & available in either steel or canvas. These new "carry-alls" measure 26" wide x 10" high x 7" deep. The canvas GoBox is crafted from heavy-duty nylon/polyester & features an embroidered Ford logo. Elastic straps inside will keep bottles or cans upright, built-in loop handles outside make it easy to get a grip, and a removable shoulder strap keeps your hands free for other things. So, stuff it full of car care products, tools, or anything else you might need to take with you. You could even be creative & turn it into a cooler. They look good, are easy to carry & let everyone know that Ford is your brand.

Paint

TIP: Store spray cans upside down for long term storage. Setting in warm water prior to painting helps paint flow.

NOTE: Please verify your correct color before ordering, as not all paint colors are available.

These paints match our interior vinyl colors.

Paint is non-returnable. Paints can be used on: plastic, vinyl, and metal interior trim.

G1100..... ALL
1.1 Amp UltraSafe Smart Battery Charger

Charge fully drained lead-acid and lithium-ion batteries up to 40 amp-hour with zero overcharge - Stay safely connected 24/7. Ultimate performance and versatility. Charge 6-volt and 12-volt batteries, recover damaged batteries, suitable for micro-hybrid start-stop vehicles and works with CANBUS electrical systems.

Ultra-compact, portable, energy-efficient design that's impact, UV and water-resistant (IP65). Actively monitors battery for safe and efficient charging. Includes spark-proof technology and reverse polarity protection. Advanced diagnostics automatically tests and detects a bad, damaged, or shorted battery. -.15 **\$50.00 EA** ⚠

Battery Charger, cont.

G3500..... ALL
3.5 Amp UltraSafe Smart Battery Charger

Charge fully drained lead-acid and lithium-ion batteries up to 120 amp-hour with zero overcharge - Stay safely connected 24/7. Ultimate performance and versatility. Charge 6-volt and 12-volt batteries, recover damaged batteries, suitable for micro-hybrid start-stop vehicles and works with CANBUS electrical systems.

Ultra-compact, portable, energy-efficient design that's impact, UV and water-resistant (IP65). Actively monitors battery for safe and efficient charging. Includes spark-proof technology and reverse polarity protection. Advanced diagnostics automatically tests and detects a bad, damaged, or shorted battery. -.15 **\$72.19 EA** ⚠

GB40..... ALL
Compact, yet powerful 1,000 Amp lithium-ion jump starter that delivers 7,000 Joules of starting power. Its patented safety technology features spark-proof technology and reverse polarity protection making it safe for anyone to use. Designed for use with gas engines up to 6 liters and diesel engines up to 3 liters and doubles as a portable power source for recharging smartphones, tablets and more. -.15 **\$128.89 EA** ⚠

Battery Charger, cont.

GB70..... ALL
 The GB70 is a portable lithium-ion battery jump starter pack that delivers 2,000-amps (15,700 J3S) for jump starting a dead battery in seconds. It features a patented safety technology that provides spark-proof connections and reverse polarity protection making safe and easy for anyone to use. It's a powerful battery booster that doubles as a portable power source for recharging USB devices, like a smartphone, tablet and more, or powering 12-volt devices, like a tire inflator, power inverter and much more. And designed for a car, boat, RV, truck and more with gas engines up to 8 liters, and diesel engines up to 6 liters. -.15

Third Member Assembly

NOTE: New third members assemblies are available with many ratios and are sold outright. Includes new gears, bearings, seals and new differential. Built with stock cases, brand new yukon brand nodular iron cases and pinion supports available, call for pricing. Units are sold less the pinion yoke. These units are warranted against defects for 12 months and unlimited miles. Sold without a core charge. Your choice of ratios and differentials.

Carburetor Choke Thermostat

These are not run-of-the-mill generic chokes. They are calibrated to specific carb tag numbers. If you are lucky enough to still have the original tag, you can match the numbers & get the correct choke for your car. If no tag is present, match up the years, engine size & style of carb to get the correct choke. Either way, you'll have a choke that will help your car start more easily, run better & it might even get better gas mileage as a result.

Battery Charger, cont.

G1100..... ALL
1.1 Amp UltraSafe Smart Battery Charger

Charge fully drained lead-acid and lithium-ion batteries up to 40 amp-hour with zero overcharge - Stay safely connected 24/7. Ultimate performance and versatility. Charge 6-volt and 12-volt batteries, recover damaged batteries, suitable for micro-hybrid start-stop vehicles and works with CANBUS electrical systems.

Ultra-compact, portable, energy-efficient design that's impact, UV and water-resistant (IP65).

Actively monitors battery for safe and efficient charging. Includes spark-proof technology and reverse polarity protection.

Advanced diagnostics automatically tests and detects a bad, damaged, or shorted battery. -.15 **\$50.00 EA** ⚠️

G3500..... ALL
3.5 Amp UltraSafe Smart Battery Charger

Charge fully drained lead-acid and lithium-ion batteries up to 120 amp-hour with zero overcharge - Stay safely connected 24/7.

Ultimate performance and versatility. Charge 6-volt and 12-volt batteries, recover damaged batteries, suitable for micro-hybrid start-stop vehicles and works with CANBUS electrical systems.

Ultra-compact, portable, energy-efficient design that's impact, UV and water-resistant (IP65).

Actively monitors battery for safe and efficient charging. Includes spark-proof technology and reverse polarity protection.

Advanced diagnostics automatically tests and detects a bad, damaged, or shorted battery. -.15 **\$72.19 EA** ⚠️

Battery Charger, cont.

GB40..... ALL
Compact, yet powerful 1,000 Amp lithium-ion jump starter that delivers 7,000 Joules of starting power. Its patented safety technology features spark-proof technology and reverse polarity protection making it safe for anyone to use. Designed for use with gas engines up to 6 liters and diesel engines up to 3 liters and doubles as a portable power source for recharging smartphones, tablets and more. -.15 **\$128.89 EA** ⚠️

GB70..... ALL
The GB70 is a portable lithium-ion battery jump starter pack that delivers 2,000-amps (15,700 J3S) for jump starting a dead battery in seconds. It features a patented safety technology that provides spark-proof connections and reverse polarity protection making safe and easy for anyone to use. It's a powerful battery booster that doubles as a portable power source for recharging USB devices, like a smartphone, tablet and more, or powering 12-volt devices, like a tire inflator, power inverter and much more. And designed for a car, boat, RV, truck and more with gas engines up to 8 liters, and diesel engines up to 6 liters. -.15 **\$258.19 EA** ⚠️

Back-up light switch bracket, Use with S/T or O/D. -.15 **\$15.00 EA** ▲

B7AZ7A247A **55-57**

Automatic transmission neutral safety/backup light switch. -.15 **\$40.00 EA** ▲

Back-Up Light Wiring Harness

FEG15525A **57**

Back-Up Lamp harness, Pass, Switch to lamp use w/ FET-15506B, 1 wire, 75". Made in the USA. -.15 **\$12.52 EA** ▲

FEG15525MU **57**

Back-Up Lamp Harness, Pass, 2 wire, PVC wire, 76". Made in the USA. -.15 **\$37.46 EA** ▲

FET15506A **58**

Back up Ckt wire to lamp harness, Pass. Harness, 91". Made in the USA. -.15 **\$18.75 EA** ▲

FET15506B **58**

Back up light switch harness through FET-15506-A to bulbs 168", pass. Made in the USA. -.15 **\$13.25 EA** ▲

FEY15536A **58**

Back up single wire harness w/ socket, 8". Pass., Made in the USA. -.15 **\$19.00 EA** ▲

Back-Up Light Wiring Harness, cont.

PB9E15525A **59-60**

Back up light wire, 2 wires, Galaxie. Made in the USA. -.15 **\$32.75 EA** ▲

COAF15525B **60**

Back up light harness, Galaxie (exc. 4 speed trans) 2 wires. Made in the USA. -.15 **\$26.75 EA** ▲

COAF15536A **60**

Back up light socket wire, 6", Galaxie. Made in the USA. -.15 **\$19.00 EA** ▲

C1AB15525A **61**

Back up light harness. Exc. 4 speed transmission, 2 wires. Made in the USA. -.15 **\$28.75 EA** ▲

C1AB15525A1 **62**

Back up light harness. Exc. 4 speed transmission, 2 wires. Made in the USA. -.15 **\$26.25 EA** ▲

C2AZ15536A **61-62**

Back Up Light Socket Wire - Galaxie 11" -0 **\$23.50 EA** ▲

License Plate Light

B8A13550A **57-58**

Complete assembly (exc. Wagon, Retractable, Sedan Delivery & Ranchero). -.15 **\$35.00 EA** ▲

B9A13550A **59-60**

Complete assembly (exc. Wagon & Ranchero). Made exactly like the original. -.15 **\$35.00 EA** ▲

C0DZ13550A **61-63**

Complete assembly, Galaxie (exc. Wagon & Ranchero). Made exactly like the original. -.15 **\$30.00 EA** ▲

C4AZ13550A **64-72**

Complete assembly, Galaxie (exc. Wagon & Ranchero). Made exactly like the original. -.15 **\$35.00 EA** ▲

C4AZ13560A **64-72**

License plate light housing lamp, no socket. All Galaxie (exc. Station Wagon). Exactly like the originals. -.15 **\$20.00 EA** ▲

1A14567 **57-59**

License plate light wire grommet, goes where wire comes in the bottom of trunk. -.15 **\$3.00 EA** ▲

NOTE: Any chemicals will be shipped domestic ground only (Lower 48 states only). No international shipping.

Section 132: Park Lights, Tail Lights, Back-Up Lights, Turn Signal & License Lights

A/C Compressor Kit

Update your factory AC system with a Compressor Conversion Kit. This kit helps eliminate vibration and belt noise from old compressor. Saden compressor and custom hoses provide neat, clean under hood appearance. Kit includes Compressor, Suction and Discharge Hoses, mounting brackets and necessary hardware. Increases engine performance, gas mileage and installs without modifications to the car. Note: Most of these kits are available by special order only and will be drop shipped from Texas manufacturer. Add \$35 for polished compressor add a "P" to the end of the part number when ordering.

Black

Light Blue

**Palomino/
Tan**

**Maroon/
Dark Red**

Light Aqua

**Parchment/
White**

Dark Aqua

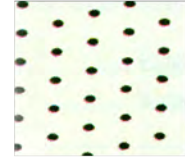

**Ivy Gold/
Light Green**

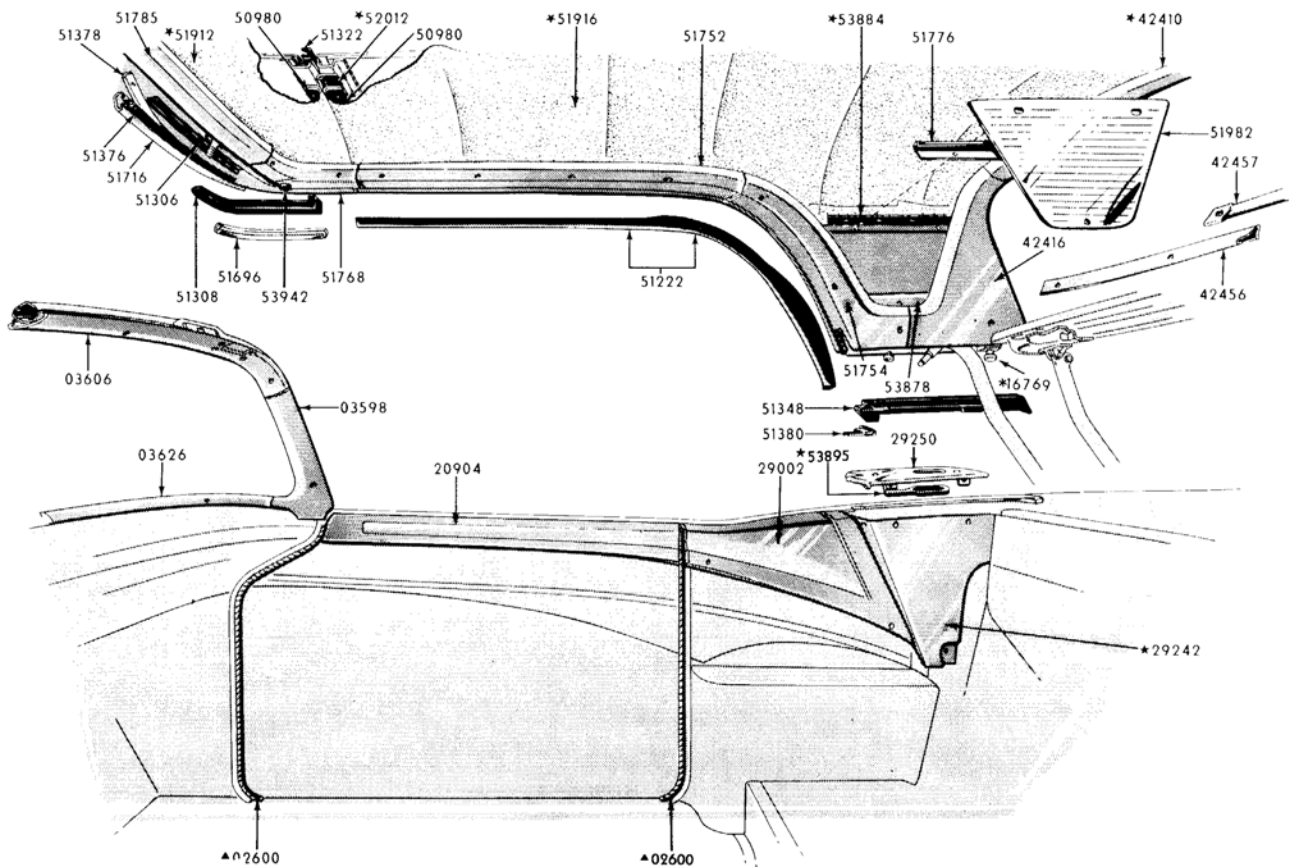

Original starline grain material used on the Galaxie (exc. 62-63 500XL). This is the correct reproduction material in the original Parchment color.

The correct reproduction white polka-dot material for the 1960s models is now available! This was a hard-to-find obsolete material.

1957 Interior View Fairlane "500" Hideaway Hardtop

Headliners

NOTE: Some 1957 thru 1959's didn't have the traditional perforated headliner, instead they had the "black dot" style. This headliner was constructed of solid bone colored vinyl with black dots silk-screened on for a unique effect.

NOTE: 1961 Hardtop, Starliner pattern headliner on off-white material. This is an original solid material (not perforated) with indented lines running between correct 4 pointed raised stars.

Rear Quarter Trim Panels Hardtop & Convertible

NOTE: The rear quarter trim panels on convertibles has three separate panels in the back seat area. There is a choice of two depending on the body style (76A or 76B) of your Convertible. The "upper" panel is the panel next to the top arms & the "lower" is the panel from the arm rest down to the floor and are covered with the same vinyl that the door panels are. Covered in our seat cover matching vinyl, these panels will complete your interior restoration. For 1963 they feature the correct profile chrome myler trim as well as mylar insert center panel.

Seat Covers

NOTE: We offer high quality hog rings & pliers, for those who are skilled at installing their own seat covers. However, if you have never done this job before, we recommend that you take our premium seat cover sets to a professional trim installer, for best results. Their many years of experience have taught them countless techniques for getting the proper fit, without unnecessary wrinkles, sags, or other little imperfections. So unless you are experienced at installing reproduction automotive seat covers, check the yellow pages for a professional installer near you.

Accousti-Shield Kits

Acoustishield is a multi-stage insulation and sound dampening system designed to give you the quiet riding comfort found in today's new cars. These kits are designed with current state-of-the-art auto acoustic technology, made specifically to control noise, vibration and heat in the interior of your classic. These kits are pre-cut and come with everything you need to do the job right. Kits include: *

- * Fully illustrated instructions for an easy installation.
- * Pre-sized sound damper pads.
- * Pre-trimmed heat absorber/barrier panels.
- * Spray adhesive and sealing tape.

* Pre-sized sound damper pads.

* Pre-trimmed heat absorber/barrier panels.
